Brownwood Middle School (BMS) is focused on excellence in academics, service, character, fine arts, and athletics. We also strive to create a family atmosphere and build lasting relationships while helping all students reach their potential.

Our students achieve success with the support of our exceptional staff, committed parents, and dedicated community members. We offer challenging courses to prepare students for successful experiences in high school and beyond.
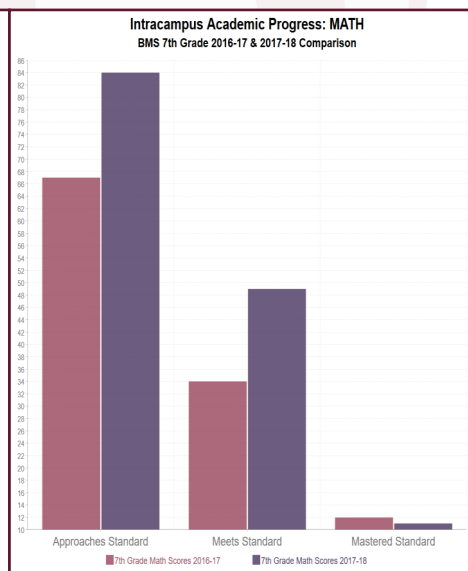

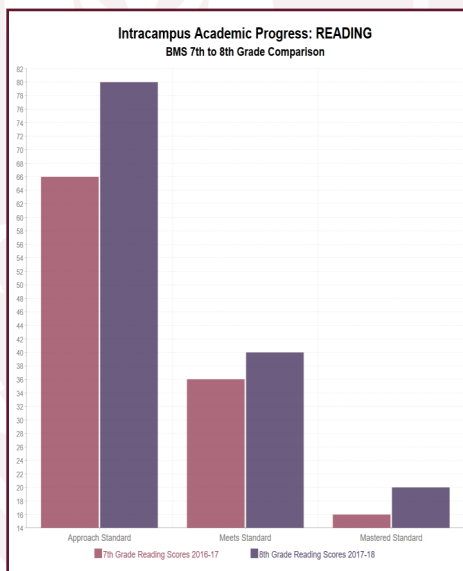

BMS students have opportunities to explore their interests and talents through innovative electives such as Teen Leadership, Robotics, and Theatre Arts.

Not only do our students excel in athletics, they are able to compete and represent the Brownwood Lions in robotics competitions, Heath Occupations Students of America (HOSA), One-Act Play, and Family Career and Community Leaders of America (FCCLA) at the district, state, and even national levels.

Classes & Staff

Our highly qualified staff utilizes standardized test data, benchmark test data and frequent assessments in classes to help tailor the instructional program to meet the needs of the students.

In addition to preparing students for further participation and success in their high school programs, we are also proud of our extra-curricular activities, which have demonstrated success in fostering good sportsmanship, teamwork, and creativity among our students.
